Re: MCF-21035 Stagecoach Group PLC and Coach USA, Inc et al.
Acquisition of Control – Twin America LLC

Dear Ms. Brown:

Recently a hearing was conducted by the National Labor Relations Board (22-RC-13115) involving Twin America LLC. Direct testimony was taken from employees and management concerning the level of integration of IBS and City Sights post filing with the STB.

Since the issue of the integration and perceived benefits of such integration has been presented to the STB the Transport Workers Union believes that the transcript of the NLRB hearing may be useful to the STB.

We respectfully submit the full transcript of the NLRB hearing. Testimony was taken over two days. Enclosed are CD-ROM discs containing the employee and management testimony.

Sincerely,

Karen Fleming
President
